- To counsel the students to improve their career exposure across the global.
- To produce the most competitive students to fit in all scenario of the job market

Placement Process

Placement process includes,

- Identify the eligible students from each Course UG & PG
- Inviting the HRs & Trainers to train the students to improve the students employability skills
- Conducting mock Interviews
- Inviting the different companies HRs to have campus drive in the college.
- Making arrangements for campus drive
- Providing an opportunity to get a right job to the right students, maintain records of placements.

Placement Activities

The campus recruitment program aims to match the aspirations of the future corporate leaders with the expectations of the corporate sector. The placement activity is coordinated by the students, headed by the Placement Officer and Industry experts. The placement activity spreads over the year, and makes special efforts to groom the students for them to face the corporate world.

Some Placement activities are: We have MOU with certain agencies to train students for the following rounds. Career counseling by faculty and trained professionals in different functional areas from the corporate world. A structured Personality Development Program, comprising of Group Discussion, behavioral skills and interview skills are imbibed by trainers and corporate alike. Constant evaluation and up gradation of General Aptitude and Technical Skills.

Technical Aptitude Test The Organization in order to judge the technical & general proficiency conducts a test. This test could either be an online or offline test. The Institute provides requisite infrastructure for conduction the online tests.

Final Interview Students shortlisted after the tests are further interviewed by the panelists and are made final offers for joining.
